

★ MAPPING HISTORY ACTIVITY 20

DIRECTIONS: Write your answers to questions 1–4 on the map. You may abbreviate if you wish.

1. **Movement** Draw circles around the names of the two cities which received immigrants from the greatest variety of homelands.
2. Underline the names of the four cities which show immigrants from only one country.
3. Determine which two immigrant groups settled in the greatest number of cities. On the map key circle the names of the European countries from which they came.
4. Next to the city, write the names of the immigrant groups that settled in Minneapolis.
5. Why did cities in the Northeast attract such a variety of immigrants? _____
