

NAME: _____ DATE: _____ PERIOD: _____

Renaissance Grid Project Grade Sheet

Directions: Write the name of the task you completed in the Concept and Specific Skill columns. When you turn in a completed task, write the date in the Date Completed column. When the task is returned to you, write the number of points you earned on it in the Points Earned column. If you complete an extra credit task, enter it in the correct place. When you turn in your completed project, this grade sheet will be complete and you will total your final score in the correct place. **If you are missing any of the required tasks, you will lose an extra 20 points as a penalty.** Have fun! 😊
