Italian City-States, 1454 — Hodgepodge/Application

Name:_____Date:_____Period_____

(See p. BB 317)
1. Label **ALL** the cities. Label **ALL** the seas.
2. Create borders for each of the Italian CITY-STATE (you may have to draw outside of "the boot")
3. Color each Italian CITY-STATE a different color.
4. Create a key which lists the CITY-STATES and the colors they represent.

Answer the following questions on the back of this map:
1. Genoa and the Venetian Republic were great competitors. What geographic feature do they have in common?
2. Why did this lead to competition between the two cities?

Key:
